

# EO605MTS

60cm 5 Function Built-in Oven | Stainless Steel

# Euromaid

## FEATURES & BENEFITS

### 92L CAPACITY

Class-leading 92L capacity. Make the most of your oven with extra-large cavity space, providing more room to cook on multiple oven shelves and perfect for entertaining.

### 10AMP PLUG AND LEAD

For easy, fuss-free installation, simply plug the equipped 10A plug into a standard domestic socket to start using your oven right away.

### MULTIFUNCTION

Five oven functions for greater flexibility, including Fan Forced for perfectly even baking, or Grill for finishing off dishes with extra-crispy results.

### AUTO-OFF TIMER

The mechanical timer can be set for up to 2 hours, automatically switching the oven off once the time has ended. It can also be used as a kitchen timer when the oven is not in use.

**5 YEAR WARRANTY**  
with online registration\*

\*The warranty period may be extended by an additional 3 years (5 years total) if the appliance is registered on the Euromaid website within 90 days following the date of original purchase.
