

EO916ASTB

90cm 16 Function Built-in Oven | Air Fry | Dark Stainless

Euromaid

FEATURES & BENEFITS

148L CAPACITY

Class-leading 148L capacity. Make the most of your oven with extra-large cavity space, providing more room to cook on multiple oven shelves and perfect for entertaining.

SOFT CLOSE

Fitted with a premium hinge system, the oven door closes softly with a gentle push, making it easy to close while your hands are full and prevents it from slamming shut.

EASY STEAM

The Easy Steam function combines hot air cooking with the benefits of steam, to bring out the flavour in food, cooking it more evenly and producing juicy and crispy results.

AIR FRY

Delivering the benefits of an Air Fryer into a built-in oven. The dedicated Air Fry function helps to create perfectly crispy results without the extra oil, while saving space in your kitchen.

TELESCOPIC RAILS

The fully-extendable telescopic rails glide smoothly in and out of the oven cavity. Perfect for handling heavy cookware or quickly checking the progress of your cooking.

5 YEAR WARRANTY
with online registration*

*The warranty period may be extended by an additional 3 years (5 years total) if the appliance is registered on the Euromaid website within 90 days following the date of original purchase.
